CERTIFICATION

By accepting this permit, the property owner certifies that he/she has read the permit, and will fully comply with the conditions of the permit and all applicable town ordinances. The property owner agrees to notify the town road patrolman if the project undertaken deviates from the work authorized by this driveway access permit. The property owner understands and acknowledges that by issuing the driveway access permit, the Town has not guaranteed or approved the suitability or safety of the plans for any particular purpose. Furthermore, the Town reserves the right, after inspection of the property, to require modifications to the project to comply with the town ordinance, if the project is built in a manner which deviates from the plans or does not comply with applicable ordinances. The property owner is aware that a driveway access permit can be suspended or revoked for noncompliance with its terms and provisions.
