REMINDERS

- **Town of Glenwood website: townofglenwoodstcroix.com**
- You must purchase a garbage card to bring garbage to the dump. You do not need a garbage card to bring recyclables. The garbage card costs \$70 annually if paid for by January 31. The cost for a garbage card is \$75 if paid for after January 31. You can purchase a garbage card by contacting the Town Treasurer, Audrey Maes. **Please call for an appointment** if you need to get one, 715-265-7098 or 715-684-9737. You will also be able to buy a garbage card during clean-up day.
- **Please note, dumping garbage after dump hours is not allowed! Video cameras are now installed and after checking the camera footage, it is clear that this rule is being broken. We are looking at what legal options we have when someone is caught doing this.**
- The Town of Glenwood does not issue burning permits. However, it is your responsibility to call the St. Croix Dispatch Center @ 800-281-3478 to let them know you are burning. If the Fire Department responds to a call about your fire, and you have not notified the dispatch center, you are responsible for the charges. Also, you must follow all County and State issued burning bans.
- Please remember that **all dogs need to be licensed**. The Town of Glenwood has contracted with Dedicated Animal Control Services to handle stray dogs.
